

NBHD Soccer Art Gala 2023

March 15, 2023

Giving Back to the Chicago Neighborhood Art Community

Local artists are fundamental to the cultural vibrancy of any community, especially our Chicago neighborhoods. This is because they draw inspiration from the local environment, history, and traditions and create works of art that reflect the unique character and place. However, local artists often need help with earning a living from their art.

This event will be to help and celebrate the local art community. NBHD Soccer Art Gala 2023 will be hosted in Pilsen at Lo Rez Brewery. A portion of the sales at Lo Rez will go to the Pilsen Art Community House, and a portion will go to participating artists. Selected artists will receive \$100.

As an organization dedicated to our local communities and neighborhoods we understand and celebrate the value of our local artists.

Join us in saying "thank you" for the joy and inspiration artists bring to our Chicago Neighborhood by participating. This event is the first of many more opportunities the *Chicago Neighborhood Soccer* organization will run to show appreciation to artists for their talent and creativity in our local communities and neighborhoods.

About NBHD Soccer

Chicago Neighborhood Soccer (NBHD Soccer) is a homegrown, grassroots organization founded and driven by local pick-up soccer players. We celebrate Chicago's pick-up soccer players, and we give back to our local communities. We have been organizing community events in soccer for almost a decade but only just officially formed as a nonprofit in 2022. We are already 4,300+ members strong on [meetup](#) and looking to incubate more community organizers and events.
